

# Call for chapter proposals for a book entitled

## Strategic Measurement and Management Performance using Data Envelopment Analysis: Theory and Applications

### Editors:

**Ibrahim H. Osman**, American University of Beirut, Beirut, Lebanon, [io00@aub.edu.lb](mailto:io00@aub.edu.lb)

**Abdel Latef Anouze**, American University of Beirut, Beirut, Lebanon, [aa153@aub.edu.lb](mailto:aa153@aub.edu.lb)

**Ali Emrouznejad**, Aston Business School, Aston University, UK, [a.emrouznejad@aston.ac.uk](mailto:a.emrouznejad@aston.ac.uk)

### Publisher: IGI GLOBAL

We would like to invite you to submit a short abstract on your intended book chapter to be published in the above edited book. The abstract should not exceed one page highlighting the main contributions in terms of:

1. **Domain:** specifies the real application domain and a clear statement of the investigated issue.
2. **Novelty and Contributions:** provide clear statements on the advancement of knowledge in the theory and real-life applications of Data Envelopment Analysis (DEA).
3. **Strategic and Policy Implications:** provide statements on the impact of the DEA results on the management practices, implications on the decision making process and values of DEA methodology to the society.

### Selection process

The book editorial team will conduct a quick review of the submitted abstracts in order to invite the authors of the most relevant abstracts to submit by April 30th their full chapters for processing according to the following schedule:

<b>Chapter proposals</b>	<b>→ March 31, 2012</b>
Decisions from editors	→ March 23, 2012
Full submission of chapters	→ May 15, 2012
Feedback of reviews	→ June 15, 2012
Revised chapter submission	→ July 30, 2012
Final acceptance notifications	→ August 15, 2012

Further details on the call for chapters are available on IGI Global:
